Jonesville High School

Jonesville, North Carolina

To you, the students of Jonesville High School, we present our 1963 Blue Jay. Approaching the terminal of our four years journey, we, the seniors, would like to leave a brief travelogue of our high school life. These events shared with you will remain in our memories as we go our separate ways.

"Are you geared for the uphill grind?" Gayle Pardue seems to be asking Ann Martin and Linda Morrison.

As we think of outer space  
We wonder who will win the race

Donald and Patsy, "How shall we go?"  
Harry and Bonnie, "Where shall we go?"

Through our high school days we travel  
 With a purpose strong  
 Doing deeds of love and service  
 As we pass along.

We are all together now  
 Sharing work and play  
 Memories of these happy hours  
 In our minds will stay.

Mr. Hobson,

We would like to pay tribute to you  
 for the support and guidance you have  
 given the students and faculty of the Jonesville  
 School this year. The 1963 Senior Class of  
 Jonesville High School wish to express their  
 gratitude to you.

Class of '63

*Dedicated to  
a favorite person*

*A man who is a friend to every student —  
Cheerful, considerate, kind, and prudent.  
His jocular nature and friendly manner  
Will someday win him a well-earned banner.  
In student activities, his interest and participation  
Have won our respect and admiration.  
Our high school days shall one day end,  
But he will always be a friend!  
We'll always recognize him—even in a crowd.  
Deserving - - - - Mr. Joe E. Stroud*

# A journey . . .

Kathy, June, Harold, and Ken.  
Mrs. Wolfe says, "Late again."

I scream, you scream,  
We all scream for ice cream!

Ron and Barbara stamp the book  
Dal and Anna take a look.

A trip . . .

Some like to bird-watch and take hikes  
These young boys like to ride their bikes.

It's noon! It's noon!  
We leave the room  
And to the lunchroom  
We will zoom.

This will be our new lunchroom  
In which we'll be eating soon.

# A tour of memories at J.H.S.

Carol comes in with a screeching halt  
Scooter jumps out, "It's all your fault!"

Senior in trouble  
Freshman on the double  
Along came Ann  
To lend a hand.

The English teacher is Mrs. Hood  
The students here are very good!!!

We heard a noise  
There was a splat  
We looked out  
There laid Pat.

If you do not study math  
All you'll get is Miss Speer's wrath.

*Years filled with work, friends, tears and cheer.*

Buses are ready; motors, warm.  
The last bell rings and out they swarm.

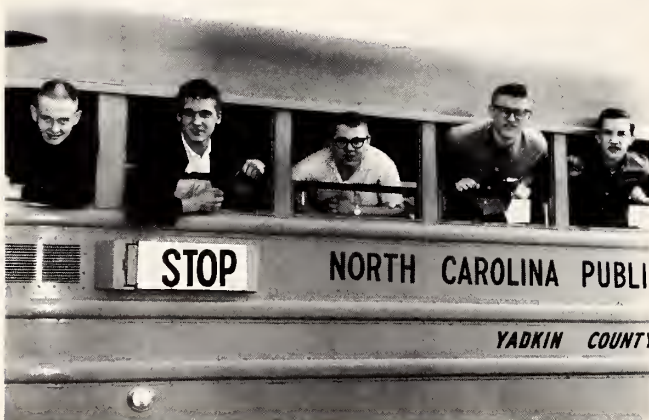

These candidates are very smart  
They'll be good drivers from the start.

We are proud of the work of our bus drivers. Dallas Foster, Bonnie Evans, Harry Groce, and Larry Harris are seniors.

Junior Jack Jones and sophomores, Bill Groce, Tommy Benton, and Mack Wagoner are also regular drivers with Gale Finney the only substitute pictured.

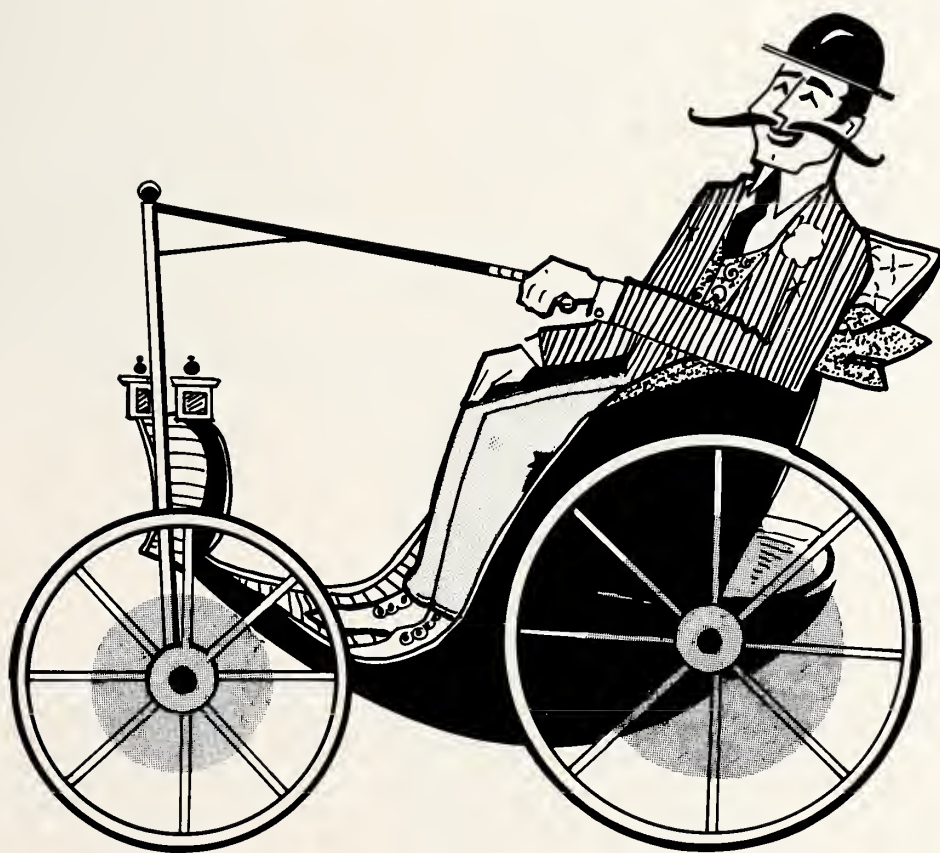

Gayle and Larry hold the lid  
While Dal checks what Bonnie did.

You'll have your safety in the sack  
With Harry, Bill, Tom, Jack, and Mac.

Future Teachers of America is a club devoted to the betterment of the student-teacher relationship. This year the club members have been assigned a helpful task of assisting a teacher in grading papers, substitute teaching, story telling, mimeographing, and numerous other helpful services.

We sent delegates to represent our club at the annual Future Teachers of America Convention which met at Chapel Hill.

In April, we plan to observe Teacher Appreciation Week by performing some extra service for our teachers each day of that week.

We hope that the experience we have gained in being members of this club will help to make us better teachers of the future.

Brenda Walker demonstrates one of the many helpful tasks, that of grading papers, in being a member of F.T.A.

Mrs. Snow, our advisor, gives needed advice to our officers: Patsy Patterson, Secretary; Barbara Billings, President; Chris Canipe, Vice-President; and Sandra Holcomb, Treasurer.

Elementary library assistants play an integral part in our elementary school as they provide leadership to students by guiding them in selecting books. They also care for A-V equipment for teachers and provide story hours for primary children.

Our high school library assistants do routine library duties along with the more technical work. They also work with students by helping them solve their reference questions.

Coach John Charles, assisted by Coach John Mathis, has done an outstanding job working with and producing a football team of which we are proud. They are respected by their athletes, students, and fans for their attitude toward the game and interest in good sportsmanship.

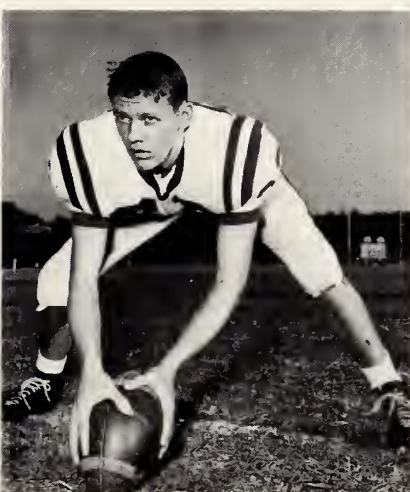

This was supposed to be a rebuilding year, but led by seniors: Chris Canipe, Butch Robinson, Ronnie Ball, Lloyd Spicer, Ronald Bray, and Donald Adams, they compiled an (8-1-1) record, one of the best in the school's history.

### JETTES

This was a fruitful year for Coach John W. Mathis. With only one senior on the team and led by a host of juniors, the Jette six has great potential. Our Jettes are considered one of the best girls basketball teams in the district, and the whole student body join in saying "We are truly proud of all of you."

Ginny seems to be thinking, "Just how far is it to that basket."

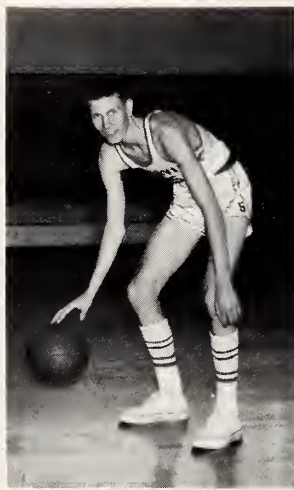

Competition is keen — reinforcements are near—"careful, Ginny."

### JAYS

Under the watchful eye of Coach John W. Mathis the Jay quintet has lived up to the expected tradition; winning the regular season championship for the tenth time. With a great first five and a tremendous bench the Jays promise to keep the Jonesville tradition alive in the future.

You're shooting in the right direction Danny.

Rick, Donald and Gale go for the rebound in case Ronald misses.

I'll get it in a minute, all I need is a longer arm.

Coached by John Charles, the baseball team had the best record in the school's history. With a team of Seniors, Juniors, and one Sophomore, the name Jonesville came to be feared on the diamond as it has been for years in football and basketball. With four returning letterman the Jay nine promises to cause some sparks in the Yadkin County Conference this year.

# Cheerleaders

Remember that first football game: The air of expectant excitement mixed with the music that blared from the loud speakers.

Remember those times when the echo from the assembled fans prevented any other sound from reaching our ears.

How nice it would be to wake up tomorrow and have all these experiences ahead, but we must be content to treasure the memories in our heart.
